

FALE NIU

AUT - PACIFIC ISLAND
STUDENT ASSOCIATION AT AUT

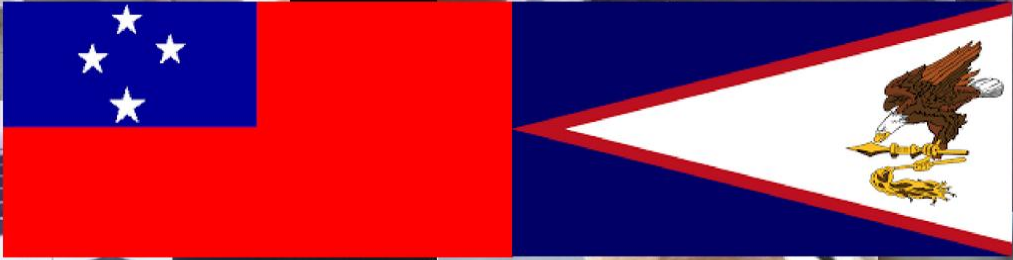

OUR VISION

We want to enhance our Pasifika Community at AUT. We want to create a space/provide a platform where they can embrace, explore, and share their cultures. Most importantly, we want to support our students, in every way that we can.

A silhouette of a traditional Polynesian double-hulled sailboat (vaka) is shown on the water at sunset. The sun is low on the horizon, creating a bright orange and yellow glow that transitions into a dark blue sky. Two people are visible on the deck of the boat, their forms dark against the bright light of the setting sun. The large, dark sail is partially unfurled, and the rigging is visible against the sky.
